

# **Access Statement**

## **King's Church Building, 3 Brooks Road, Lewes**

### **King's Church Building**

The King's Church building is used for church services, meetings and activities. These activities include events for children and young people. Some rooms are also available for use by other groups and organisations.

### **Arrival**

Disabled parking can be made available in the King's Church Car Park close to the ramp access to the main entrance door, providing that arrangements are made in advance through the King's Church office.

### **Access and facilities in the building**

The main hall, ground floor meeting room and catering areas are fully accessible to wheelchair users and people of restricted mobility. The church office is located on the ground floor and a disabled toilet is available close to the entrance lobby.

The Church leader's office and some children's activity rooms are located on the first floor. Access to the first floor is by stairs only. Children's activities or meetings involving people unable to access the first floor will be relocated to appropriate ground floor facilities.

There is a hearing loop system installed in the main hall. There is no such facility in the ground floor meeting room or other rooms.

There are currently no specific facilities within the building for people with visual disability. Such people will need to be accompanied, unless and until they are fully familiar with the building.

### **Feedback:**

We welcome your feedback to help us improve the facilities available in the building. Please contact King's Church at 01273 486182 or email [office@kingschurchlewes.org](mailto:office@kingschurchlewes.org).
