5) In which areas of your life are you currently still walking "in the darkness"?

6) How does Jesus' blood help you to "walk in the light"?

7) How does Jesus give you confidence to approach the Father when you sin?

8) Spend time confessing your sins to God and ask him to reveal any sin in your heart.

9) Spend time thanking Jesus for his death in your place so that you can know God forever.

## CONNECT IN PRAYER

### General Election (a prayer from [tearfund.org](http://tearfund.org))

God Almighty, thank you that we live in a country where we can freely and safely vote. Thank you that we can speak to those in power without fear. Thank you that no matter what happens during this election you can work all things for your good and glory. Protect our hearts, friends, families, communities and churches as we disagree. Protect our country as we undergo changes in our politics. Protect our leaders and politicians as they lead us. Give our leaders wisdom and vision to govern well, overcoming poverty and injustice. Give us the energy to play our part in society. Give us vision of how we can continue to bring your Kingdom here. Amen.

### King's Community Choir

- Pray that our free community choir would continue to bless local people and help them connect with King's. Pray for Chrissie leading the choir.
- Pray for a great atmosphere at their rehearsals, a fabulous concert on Saturday 24th June, and new members to join for the Autumn season.
