CONNECT WITH THE MESSAGE

A God Centered Life

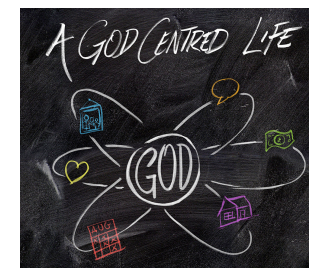

On Sunday Mornings during September, October and November, we're going to be learning from the Bible book of James.

It shows us practically the difference that faith in Jesus makes to everyday life. A life with God at the centre will affect how we handle trouble, treat people in need, speak to others and make future plans.

It's a small book but it packs a big punch!

This Connect Sheet study will help you get a feel for the book of James.

The Book of James

1) Read the whole of James. Don't panic, it only takes about 15 minutes!

While you read, write down below any repeated themes, ideas or similar commands.

2) At first James can seem like a random collection of bits of good advice. From reading through what could be a main theme that brings it all together?

Read James 1:21-25

3) How might v21-22 lie behind the rest of James' teaching?

4) How does James' illustration about a mirror in v23-25 clarify the teaching about not just hearing but obeying God's word to us in the Bible?

5) How often do you find that you listen to God's word (e.g. in a sermon, in small group or through your own reading) and then quickly forget what he said? What could you do to help with this problem?

6) Spend some time praying, asking God to remind you of anything he has spoken to you about recently from the Bible that he wants you to obey. Decide what you'll do about it.

DIGGING DEEPER

Read James 1:1 to 5:20 if you've not done so already.

Where does James mention these themes and what are his main points?

a) Handling Trouble, Trials or Suffering

b) How you use your Tongue and what you Say

c) How we treat the Poor and People in Need

d) How Faith relates to Good Deeds and Obeying God
