CONNECT WITH THE MESSAGE

Knowing God

John 14:1-20

- 1) What are the main goals in your life?
- 2) What did you find helpful or challenging from Jeff's message?
- 3) In the goals and priorities of your life, where does knowing Jesus come?
- 4) What practical steps could help you enjoy the presence of Jesus more regularly this week?
(Spend some time in worship at group and/or individually)

Read Philippians 3:7-14

Read John 14:12 and Acts 10:38

5) List the works of Jesus' ministry that you think this may include?

6) Which of these areas have you been stepping into recently individually and as a group?

7) Because Jesus is with us by the Spirit, what practical steps of faith could you take this week to put this promise of Jesus into action?

8) Spend some time praying for opportunities to do the things that Jesus did and to be filled again with the Spirit for mission in the local community.

Read Psalm 84

9) If this is the Old Testament view of the presence of God, how do you think we should view the presence of God as new covenant believers in the age of the Spirit?

10) How should this impact how we come to worship on a Sunday morning and at small group?

DIGGING DEEPER

Instead of a further Bible study, why not set aside some time to enjoy being in the presence of Jesus to put Sunday's message into practice.

Secondly, why not set yourself a challenge to do something this week that Jesus did. Be accountable with a friend on this or as a small group.

The villages in Lesotho where we support two churches have had a very poor harvest this year. They are mostly reliant on what they grow themselves. Roughly 95 out of 100 people have harvested nothing to eat. We are working with the churches to distribute basics of Maize Flour, Oil and Beans to 20 families most in need.

£30 buys food for a family of 4 for a month.

We are aiming to help those families for at least 3 months which will cost £1800. Anything we raise above our target will allow us to give more help. Thanks for your support and please also pray.

Give at **my.give.net/lesotho** or with a marked gift in the **Giving Box**.
