CONNECT WITH THE MESSAGE

The Wedding at Cana

John 2:1-11

1) Do you have any stories of a crisis that nearly happened that you were involved in?

Read John 2:1-11

2) What did you feel God was saying to you through Terry's message from this Bible passage on Sunday?

3) Are you concerned about a crisis brewing in your life at the moment or can you relate the idea of feeling like you're running out of something: finances, energy, answers, hope or peace of mind?

4) How might God want to reassure you from the events of the Wedding at Cana?

5) List some things we learn about Jesus from the events of this wedding: who he is, what he can do, his character.

6) How does it help you to be reassured of Jesus' ability to provide abundantly and do the impossible?

7) How do you understand Jesus' words to Mary in v4?

8) What can we learn from Mary's response in v5?

9) What does it look like in everyday life to let Jesus be in control of things and not keep trying to 'take back the steering wheel'?
When do you find this a challenge?

10) Talk to God in prayer about how you are currently responding to Jesus in faith, trust and obedience.

CONNECT IN PRAYER

Church Finances

- Thank God for all he has provided for us and enabled us to do: our building, staff, children's & youth work, helping Christians grow, serving communities, reaching out with God's love to Lewes and beyond.
- Pray for God to provide all we need to serve him and do his work this year and in the years to come.
- Pray that as we give, our current costs would be fully covered and we would be ready to respond to the opportunities God puts before us.

US President

- Thank God for His sovereignty and that God is still the most powerful person in the world: trustworthy and well qualified to lead us all.
- Pray that God would grant the gift of repentance and saving faith to President Trump and all those in authority in the United States.
- Pray that God would overrule and bring good out of Trump's presidency.
