Sunday 12th February

CONNECT WITH THE MESSAGE

Martyn Dunsford

It was great to have Martyn Dunsford speaking to us on Sunday.

Due to his recent travel schedule, Martyn wasn't sure what he would speak on when we produced the Connect Sheet.

Here are some general questions to help you discuss the message in your Small Group and work through what it means for you and our church.

1) What did you find most interesting or helpful from Martyn's message on Sunday?

2) What did the message show you about God or Jesus?

3) In what ways did the message motive or inspire you?

4) How did the message challenge you personally?

5) What practical steps could take in response to this?

6) What might be the implications for us as a church from this message?

7) How should it affect the way we act towards or think about people who not yet Christians?

8) Spend some time praying through the implications of this message for you, our church and the wider world.

CONNECT IN PRAYER

- Keep praying for the new course which begins on 21st February.
- Pray that those who have already expressed an interest will come, along with a good number of other people.
- Pray about anyone you know who you could invite.
- Pray for God to be at work in all who attend, that they may encounter Jesus and put their faith in him.
