CONNECT WITH THE MESSAGE

What Sort of Child Was Jesus?

Luke 2:41-52

1) What's your clearest memory of getting lost as a child, or one of your own children getting lost?

Read Luke 2:41-52

2) What particularly struck in Sunday's message from this passage?

3) What do you find challenging about Jesus?

4) Is there anything you don't understand about Jesus that you need to 'treasure in your heart' until God gives you understanding?

5) What are the areas of your life where you think God wants you to grow or become more mature?

6) Where could you do with wisdom from God in your life at the moment?

7) Which parents could you pray for, that they would have wisdom, as well as for their children to grow up to be everything God wants them to be?

8) Spend some time praying for yourself, for those parents and children, as well as for Samantha, Jacob and their parents.

DIGGING DEEPER

Read 1 John 2:28-3:6

- 1) Which words and phrases does John use to describe Christians in these verses?
- 2) What has happened so that we can become children of God?
- 3) What are some of the signs that someone is a child of God?
- 4) Why is not more obvious to non-Christians that we have this amazing status of being God's children?
- 5) Which key event are we looking forward to (or we should be)?
- 6) What will happen to us then? (v2)
- 7) Knowing how God will change us then, how should this affect how we live now? (v3, v6)
- 8) Take some time to thank God for the privileges being a child of God through Jesus the Son. Pray that you might grow to be more like him.
