Making the Most of Your Money

Matthew 25:14-30

1) What's the best bit of money saving advice that you can remember hearing?

Read Matthew 25:14-30

2) What did you find particularly helpful or challenging in Al's message from this passage on Sunday?

3) What difference does it or should it make to you, to know that your money and other resources belong to God and are entrusted to you?

4) What effect does it have on you in the times when you are struck by the generosity of God?

5) How are you ever tempted to have a wrong view of God, which is reflected in the way you treat money and possessions?

6) To what degree can we know what Jesus will say to us when we meet him at the end of our lives on earth?

7) What do you think faithfulness to God with your money looks like for you at the moment?

8) Thank God for all he has entrusted you with and pray that he would show you how to be more and more faithful to him with your money?

DIGGING DEEPER

Read 1 Chronicles 29:1-20

- 1) What great project are King David and the people of Israel preparing for?
- 2) How do we know David was personally committed to this?
- 3) How does David phrase his challenge to the people in v5?
- 4) Why do you think he puts it like this?
- 5) What was the attitude of those who gave to this project (v6-9)?
- 6) How does David's prayer and praise to God (v10 onwards) reflect his attitude to money and resources?
- 7) How does this relate to Jesus' parable in Matthew 25:14-30?
- 8) Which words in David's prayer could you use as prayer about your approach to money and other resources?
