CONNECT SHEET

Sunday 10th June

CONNECT WITH THE MESSAGE

Here are some follow-up questions to help you get the most out of today's Bible Message.

If you're in a Connect Group, it would be helpful to look through it beforehand and note down a few thoughts.

Useful People (Philippians 2:19-30)

- 1) What part of Sunday's message did you find most helpful or challenging? Why?

- 2) Are there people who you personally find helpful examples of Christian living? What is it about them and how do you try to be like them?

- 3) In what ways are you a good and a bad example to other Christians?

- 4) How much do you think we can develop the character traits Rich discussed ourselves and how much do we need God to do it for us? Why?

5) How does who Jesus is and what he has done helps you to live more like him?

6) In what situations do you find it hard to put other people first?

PRAY

- Thank God for Jesus as our ultimate example and the one who makes it possible for us to change
- Ask God to help you in the specific ways you'd like to be more like Jesus in your character
- Bring to God any situations where you find it hard to live consistently for him

Taking It Further

Read Philippians 2:14-18

- 1) What motivation does this passage give for living righteously?
- 2) What's the difference between 'grumbling and arguing' and simply disagreeing? How could you know when you've crossed the line?
- 3) How would 'grumbling and arguing' diminish the Philippians ability to 'shine like stars'?
- 4) Are there attitudes or behaviours that undermine your witness for Jesus? What are they and how can you deal with them?
- 5) What can you do this week to share God's light to 'a warped and crooked generation'?
