

# DIGGING DEEPER

---

Read **John 15v1-8**

- a) What are the main things Jesus wants to understand from this whole picture of him as the vine and Christians as the branches (**v5**)
- b) Why is it so important to remain (or abide) in Jesus?
- c) How do we remain in Jesus? How does **v7** help?
- d) What is the connection between Jesus' words remaining in us and having our prayers answered? (**v7**)
- e) Can you think of an example of how Jesus' words (and all of God's words in the Bible) have shaped and directed your prayers?

## CONNECT IN PRAYER

---

Please pray that we will see more **work of the Holy Spirit** here at King's Church. We want to keep this high on our agenda and want to see the Holy Spirit manifest himself more in our meetings through healing and prophesy etc.

The **Catalyst Festival** is next weekend! Please pray for our time at the festival, that we will have a great time away together and that the relationships between our family of churches will be strengthened. Pray that we will really encounter God in a powerful way and that lives will be changed as a result. **Please note:** there will be no Sunday morning meeting here on **Sunday 26<sup>th</sup> May**.
