

Prayer Week 2012

King's CHURCH
kingschurchlewes.org

Our Aim: Large, strong, growing church to reach Lewes and beyond with the message of Jesus

Lighthouse (Pete West)

A giant lighthouse in the centre of Lewes with ships coming inland towards it, welcoming instead of warning. God is establishing the church as a beacon of hope in this town, as a resource base of finances and people, with them coming in and going out, which will be seen and used all over.

Balloon (Andy Gordon)

Our church is like a balloon which is being inflated. As it gets larger than it has been before we need to be aware of things which could cause it to burst, losing what God is doing. Three areas to stay strong in are our Relationships and Unity, our Response to Change and our Commitment to Truth.

Dam (Jamie Ballan)

I saw a large dam over Lewes which was holding back God's blessing on the town. The church was praying for years and years for breakthrough. Each additional prayer was like a sledge hammer against the concrete. Eventually, through prayer, the dam finally started to crack, releasing a massive move of God.
